Message from the Grand Knight.

Brother knights, we start a new year. Lets continue to do what we have been doing well and enjoy doing it. We had a banner year with the top Michigan Achievement Award and others but the one award we have not obtained is the Star Council. Let this be our goal this year. Invite a friend or relative to become a knight.

GK Jim Smiszek

Prayer for Blessing of One's Work

O Lord, my God, Creator and Ruler of the universe,
 it is Your Will that human beings accept the duty of work.
 May the work I do bring growth in this life to me
 and those I love and help to extend the Kingdom of Christ.
 Give all persons work that draws them to You
 and to each other in cheerful service.
 I unite all my work with the Sacrifice of Jesus
 in the Mass that it may be pleasing to You and give You
 glory.
 I beg Your Blessing upon all my efforts.
 With Saint Joseph as my example and guide,
 help me to do the work You have asked
 and come to the reward You have prepared.

In Service to One
In Service to All

Thanks to the efforts of Father Michael J. McGivney, assistant pastor of St. Mary's Church in New Haven and some of his parishioners, the Connecticut state legislature on March 29, 1882, officially chartered the Knights of Columbus as a fraternal benefit society. The Order is still true to its founding principles of charity, unity and fraternity.

The Knights was formed to render financial aid to members and their families. Mutual aid and assistance are offered to sick, disabled and needy members and their families. Social and intellectual fellowship is promoted among members and their families through educational, charitable, religious, social welfare, war relief and public relief works.

The history of the Order shows how the foresight of Father Michael J. McGivney, whose cause for sainthood is being investigated by the Vatican, brought about what has become the world's foremost Catholic fraternal benefit society. The Order has helped families obtain economic security and stability through its life insurance, annuity and long-term care programs, and has contributed time and energy worldwide to service in communities.

The Knights of Columbus has grown from several members in one council to more than 14,000 councils and 1.8 million members throughout the United States, Canada, the Philippines, Mexico, Poland, the Dominican Republic, Puerto Rico, Panama, the Bahamas, the Virgin Islands, Cuba, Guatemala, Guam and Saipan.
